S4 JAN 13, 1999 -- Line to Clerk and attachment (Exhibit to Plaintiff's Response to Defendant's Motion For Summary Judgment that was filed on 1/12/99) filed.

JAN 19, 1999 -- HEARING-John W Sause Jr, Judge; Nanny Porter, Reporter.
Mr Collison heard on defendant's motion for summary judgment.
Mr Wright heard.
Mr Collison heard in rebuttal.
Court reviewed the Application and finds that it was clear that there was a license with name of Mr Wright's client. It should have had another name because the Agency was notified under 8-309, which was Agency practice & as shown by the record, mistake was made by the Commission by admission.
Court finds it difficult to find that the statute was abused.
Court unable to conclude that contract is unenforceable and Motion is denied on that point.
Court indicates that mechanics lien denial does not deny right to bring action on the contract.
Court indicates as to Issue 3 in the motion (proper parties) whoever has exceeded to the rights on the orig contract; if assignment made, was insufficient.
Mr Wright heard and concedes that LLC and agent winding up do not need to be parties.
ALLEN/JONES & CO L.L.C. and PETER D ALLEN authorized agent of Allen/Jones & Co L.L.C. for the said purposes of winding up the affairs of said L.L.C. are removed as parties, the only remaining plaintiff being ALLEN/JONES INC successor in interest and assignee of Allen/Jones & Co L.L.C..
Court grants motion on that issue.
